PROXY STATEMENT

For

2008 Annual Meeting of Stockholders

To Be Held on February 8, 2008

This document will give you the information you need to vote on the matters listed on the accompanying Notice of Annual Meeting of Stockholders ("Notice of Annual Meeting"). Much of the information in this Proxy Statement is required under rules of the Securities and Exchange Commission ("SEC"); some of it is technical in nature. If there is anything you do not understand, please contact us at 212-905-1000.

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors (the "Board") of PennantPark Investment Corporation (the "Company," "we," "us" or "our") for use at the Company's 2008 Annual Meeting of Stockholders (the "Meeting") to be held on Friday, February 8, 2008 at 9:30 a.m., Eastern Time, at the St. Regis Hotel, located at 2 East 55th Street, New York, New York and at any postponements or adjournments thereof. This Proxy Statement, the accompanying proxy card, Notice of Annual Meeting and the Company's Annual Report for the fiscal year ended September 30, 2007, are first being sent to stockholders on or about January 16, 2008.

We encourage you to vote your shares, either by voting in person at the Meeting or by granting a proxy (i.e., authorizing someone to vote your shares). Shares represented by duly executed proxies will be voted in accordance with your instructions. If you sign the proxy, but do not fill in a vote, your shares will be voted in accordance with the Board's recommendation. If any other business is brought before the Meeting, your shares will be voted at the Board's discretion.

You may revoke a proxy at any time before it is exercised by notifying the Company's Secretary in writing, by submitting a properly executed, later-dated proxy, or by voting in person at the Meeting. Any stockholder entitled to vote at the Meeting may attend the Meeting and vote in person whether or not he or she has previously voted his or her shares via proxy or wishes to change a previous vote.

You will be eligible to vote your shares electronically via the Internet, telephone or by mail.

Purpose of Meeting

At the Meeting, you will be asked to vote on the following proposals:

1. To elect two Class I directors of the Company, who will each serve for a term of three years or until his successor is duly elected and qualified.
2. To ratify the selection of KPMG LLP to serve as the Company's independent registered public accounting firm for the fiscal year ending September 30, 2008; and
3. To transact such other business as may properly come before the meeting.

Voting Securities

You may vote your shares at the Meeting only if you were a stockholder of record at the close of business on January 11, 2008 (the "Record Date"). There were 21,068,772 shares of the Company's common stock outstanding on the Record Date. Each share of the common stock is entitled to one vote.

Quorum Required

A quorum must be present at the Meeting for any business to be conducted. The presence at the Meeting, in person or by proxy, of the holders of a majority of the shares of stock outstanding on the Record Date will constitute a quorum. Shares held by a broker or other nominee for which the nominee has not received voting instructions from the record holder and does not have discretionary authority to vote the shares on non-routine proposals (which are considered “broker non-votes” with respect to such proposals), will be treated as shares present for quorum purposes. If there are not enough votes for a quorum, the chairman of the meeting will adjourn the meeting to permit the further solicitation of proxies.

Vote Required

Election of Directors. The election of a director requires the vote of a majority of the shares of stock outstanding. Stockholders may not cumulate their votes. If you vote “Withhold Authority” with respect to a nominee, your shares will not be voted with respect to the person indicated. Because directors are elected by a majority of the votes of the outstanding common shares of the company, votes to withhold authority will have the effect of a vote against the nominee.

Ratification of Independent Registered Public Accounting Firm. The affirmative vote of a majority of the votes cast at the Meeting in person or by proxy is required to ratify the appointment of KPMG LLP to serve as the Company’s independent registered public accounting firm. Abstentions and broker non-votes will not be included in determining the number of votes cast and, as a result, will have no effect on this proposal.

Additional Solicitation. If there appears not to be enough votes to approve the proposals at the Meeting, the stockholders who are represented in person or by proxy may vote to adjourn the Meeting to permit the further solicitation of proxies. Adam Bernstein and Jeffrey Flug are the persons named as proxies and will vote proxies held by them for such adjournment, unless marked to be voted against any proposal for which an adjournment is sought, to permit the further solicitation of proxies.

A stockholder vote may be taken on one of the proposals in this Proxy Statement prior to any such adjournment if there are sufficient votes for approval of such proposal.

Information Regarding This Solicitation

The Company will bear the expense of the solicitation of proxies for the Meeting, including the cost of preparing, printing and mailing this Proxy Statement, the accompanying Notice of Annual Meeting of Stockholders, Annual Report, and proxy card. If brokers, trustees, or fiduciaries and other institutions or nominee holding shares in their names, or in the name of their nominees, which are beneficially owned by others, forward the proxy materials to, and obtain proxies from, such beneficial owners, we will reimburse such persons for their reasonable expenses in so doing.

In addition to the solicitation of proxies by the use of the mail, proxies may be solicited in person and/or by telephone or facsimile transmission by directors or officers of the Company, officers or employees of PennantPark Investment Advisers, LLC, the Company’s investment adviser and/or by a retained solicitor. No additional compensation will be paid to directors, officers or regular employees for such services.

Stockholders may also provide their voting instructions by telephone or through the Internet. These options require stockholders to input the Control Number, which is located on each card. After inputting this number, stockholders will be prompted to provide their voting instructions. Stockholders will have an opportunity to review their voting instructions and make any necessary changes before submitting their voting instructions and terminating their telephone call or Internet link. Stockholders who vote via the Internet, in addition to confirming their voting instructions prior to submission, will also receive an e-mail confirming their instructions upon request.

If a stockholder wishes to participate in the Meeting, but does not wish to give a proxy by telephone or electronically, the stockholder may still submit the proxy card originally sent with this Proxy Statement or attend in person.

Any proxy given pursuant to this solicitation may be revoked by notice from the person giving the proxy at any time before it is exercised. Any such notice of revocation should be provided in writing and signed by the stockholder in the same manner as the proxy being revoked and delivered to the Company's proxy tabulator.

Corporate Governance

Director Independence

NASDAQ rules require listed companies to have a board of directors with at least a majority of independent directors. Under NASDAQ rules, in order for a director to be deemed independent, our Board must determine that the individual does not have a relationship that would interfere with the director's exercise of independent judgment in carrying out his or her responsibilities. On an annual basis, each member of our Board is required to complete an independence questionnaire designed to provide information to assist the Board in determining whether the director is independent under NASDAQ rules and our corporate governance guidelines. Our Board has determined that each of our directors, other than Mr. Penn, is independent under the listing standards of the NASDAQ Global Select Market. The Board limits membership on the Audit Committee and the Nominating and Corporate Governance Committee to independent directors.

Committees of the Board of Directors

Our Board of Directors has established an Audit Committee and a Nominating and Corporate Governance Committee. For the fiscal year ended September 30, 2007, the Board of Directors of the Company held six board meetings, three Audit Committee meetings and one Nominating and Corporate Governance Committee meeting. All directors attended at least 75% of the aggregate number of meetings of the Board and of the respective Committees on which they served. The Company requires each director to make a diligent effort to attend all Board and Committee meetings, and encourages directors to attend the annual meeting of stockholders.

Audit Committee

The members of the Audit Committee are Messrs. Bernstein, Brozost, Flug and Katz, each of whom is independent for purposes of the 1940 Act and The Nasdaq Global Market corporate governance regulations. Mr. Flug serves as chairman of the audit committee. The Audit Committee operates pursuant to an Audit Committee Charter approved by the Board of Directors. The charter sets forth the responsibilities of the Audit Committee, which include selecting or retaining each year an independent registered public accounting firm (the “auditors”) to audit the accounts and records of the Company; reviewing and discussing with management and the auditors the annual audited financial statements of the Company, including disclosures made in management’s discussion and analysis, and recommending to the Board of Directors whether the audited financial statements should be included in the Company’s annual report on Form 10-K; reviewing and discussing with management and the auditors the Company’s quarterly financial statements prior to the filings of its quarterly reports on Form 10-Q; pre-approving the auditors’ engagement to render audit and/or permissible non-audit services; and evaluating the qualifications, performance and independence of the auditors. The Audit Committee is also responsible for aiding our board of directors in fair value pricing debt and equity securities that are not publicly traded or for which current market values are not readily available. The board of directors and Audit Committee may use the services of nationally recognized independent valuation firms to help them determine the fair value of these securities. The Company’s Board of Directors has determined that Mr. Flug is our “Audit Committee financial expert” as that term is defined under Item 401 of Regulation S-K under the Securities Exchange Act of 1934, as amended (the “Exchange Act”). The Audit Committee Charter is available on the Company’s website (<http://www.pennantpark.com>).

Nominating and Corporate Governance Committee

The members of the Nominating and Corporate Governance Committee are Messrs. Bernstein, Brozost, Flug and Katz, each of whom is independent for purposes of the 1940 Act and the corporate governance regulations of The NASDAQ Global Market. Messrs. Bernstein and Brozost serve as co-chairmen of the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee is responsible for selecting, researching and nominating directors for election by our stockholders, selecting nominees to fill vacancies on the Board or a committee of the Board, developing and recommending to the Board a set of corporate governance principles and overseeing the evaluation of the Board and our management. The Nominating and Corporate Governance Committee has adopted a written Nominating and Corporate Governance Committee Charter that is available on the Company’s website (<http://www.pennantpark.com>).

The Nominating and Corporate Governance Committee will consider stockholder recommendations for possible nominees for election as directors when such recommendations are submitted in accordance with the Company’s bylaws, the Nominating and Corporate Governance Committee Charter and any applicable law, rule or regulation regarding director nominations. Nominations should be sent to Thomas Friedmann, Secretary, c/o PennantPark Investment Corporation, 590 Madison Avenue, 15th Floor, New York, New York 10022. When submitting a nomination to the Company for consideration, a stockholder must provide all information that would be required under applicable SEC rules to be disclosed in connection with election of a director, including the following minimum information for each director nominee: full name, age and address; principal occupation during the past five years; current directorships on publicly held companies and investment companies; number

of shares of the Company's common stock owned, if any; and, a written consent of the individual to stand for election if nominated by the Board of Directors and to serve if elected by the stockholders.

Criteria considered by the Nominating and Corporate Governance Committee in evaluating the qualifications of individuals for election as members of the Board of Directors include compliance with the independence and other applicable requirements of the NASDAQ Listing Standards and the 1940 Act, and all other applicable laws, rules, regulations and listing standards, the criteria, policies and principles set forth in the Nominating and Corporate Governance Committee Charter, and the ability to contribute to the effective management of the Company, taking into account the needs of the Company and such factors as the individual's experience, perspective, skills and knowledge of the industry in which the Company operates. The Nominating and Corporate Governance Committee also may consider such other factors as it may deem are in the best interests of the Company and its stockholders. The Board of Directors also believes it is appropriate for a key member of the Company's management to participate as a member of the Board of Directors.

Compensation Committee

We do not have a compensation committee because our executive officers do not receive compensation from us.

Communication with the Board of Directors

Stockholders with questions about the Company are encouraged to contact PennantPark Investment Corporation's Investor Relations Department. However, if stockholders believe that their questions have not been addressed, they may communicate with the Company's Board of Directors by sending their communications to Thomas Friedmann, Secretary, c/o PennantPark Investment Corporation, 590 Madison Avenue, 15th Floor, New York, New York 10022. The following is the report of the Audit Committee with respect to the Company's audited financial statements for the fiscal year ended September 30, 2007.

The Audit Committee has reviewed and discussed the Company's audited financial statements with management and KPMG LLP (KPMG), the Company's independent registered public accounting firm, with and without management present. The Audit Committee included in its review results of KPMG's examinations, the Company's internal controls, and the quality of the Company's financial reporting. The Audit Committee also reviewed the Company's procedures and internal control processes designed to ensure full, fair and adequate financial reporting and disclosures, including procedures for certifications by the Company's chief executive officer and chief financial officer that are required in periodic reports filed by the Company with the SEC. The Audit Committee is satisfied that the Company's internal control system is adequate and that the Company employs appropriate accounting and auditing procedures.

The Audit Committee also has discussed with KPMG matters relating to KPMG's judgments about the quality, as well as the acceptability, of the Company's accounting principles as applied in its financial reporting as required by Statement of Auditing Standards No. 114 (Auditor's Communication With Those Charged With Governance). In addition, the Audit Committee has discussed with KPMG their independence from management and the Company, as well as the matters in the written disclosures received from KPMG and required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). The Audit Committee received a letter from KPMG confirming their independence and discussed it with them. The Audit Committee discussed and reviewed with KPMG the Company's critical accounting policies and practices, internal controls, other material written communications to management, and the scope of KPMG's audits and all fees paid to KPMG during the fiscal year. The Audit Committee adopted guidelines requiring review and pre-approval by the Audit Committee of audit and non-audit services performed by KPMG for the Company. The Audit Committee has reviewed and considered the compatibility of KPMG's performance of non-audit services with the maintenance of KPMG's independence as the Company's independent registered public accounting firm.

Based on the Audit Committee's review and discussions referred to above, the Audit Committee recommended to the Board of Directors (and the Board has approved) that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended September 30, 2007 for filing with the SEC. In addition, the Audit Committee has engaged KPMG to serve as the Company's independent registered public accounting firm for the fiscal year ending September 30, 2008, and has directed that the selection of KPMG should be submitted to the Company's stockholders for ratification.

Based on the Company’s review of Forms 3, 4 and 5 filed by such persons and information provided by the Company’s directors and officers, the Company believes that during the fiscal year ended September 30, 2007, all Section 16(a) filing requirements applicable to such persons were met in a timely manner.

**PROPOSAL II: RATIFICATION OF
SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

KPMG LLP (“KPMG”) has been selected as the independent registered public accounting firm to audit the financial statements of the Company at and during the Company’s fiscal year ending September 30, 2008. KPMG was selected by the Audit Committee of the Company and that selection was ratified by a majority of the Company’s Board, including all of the independent directors, by a vote cast in person. The Company does not know of any direct or indirect financial interest of KPMG in the Company. Representative(s) of KPMG will attend the Annual Meeting and will have the opportunity to make a statement if they desire to do so and will be available to answer questions.

Audit Fees: Audit fees consist of fees billed for professional services rendered for the audit of our year-end financial statements and services that are normally provided by KPMG in connection with statutory and regulatory filings. Fees incurred during the fiscal year ended September 30, 2007 by the Company were \$175,000.

Audit-Related Fees: Audit-related services consist of fees billed for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements and are not reported under “Audit Fees.” These services include attest services that are not required by statute or regulation and consultations concerning financial accounting and reporting standards. Audit-related fees incurred by the Company during the fiscal year ended September 30, 2007 were \$50,000.

Tax Fees: Tax fees consist of fees billed for professional services for tax compliance. These services include assistance regarding federal, state, and local tax compliance. Tax fees incurred by the Company during the fiscal year ended September 30, 2007 were \$89,000, which represented work related to our regulated investment company qualification and excise tax distribution requirements.

All Other Fees: Other fees would include fees for products and services other than the services reported above of which there were none in the fiscal year ended September 30, 2007.

The Audit Committee has established a pre-approval policy that describes the permitted audit, audit-related, tax and other services to be provided by KPMG, the Company’s independent auditor. The policy requires that the Audit Committee pre-approve the audit and non-audit services performed by the independent auditor in order to assure that the provision of such service does not impair the auditor’s independence.

Any requests for audit, audit-related, tax and other services that have not received general pre-approval must be submitted to the Audit Committee for specific pre-approval, and cannot commence until such approval has been granted. Normally, pre-approval is provided at regularly scheduled meetings of the Audit Committee. However, the Audit Committee may delegate pre-approval authority to one or more of its members. The member or members to whom such authority is delegated shall report any pre-approval decisions to the Audit Committee at its next scheduled meeting. The Audit Committee does not delegate its responsibilities to pre-approve services performed by the independent auditor to management.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM TO THE COMPANY FOR THE FISCAL YEAR ENDING SEPTEMBER 30, 2008.**
