PSLF will retain all the Subordinated Notes through a consolidated subsidiary. The reinvestment period for the term debt securitization ends in July 2027 and the CLO Notes are scheduled to mature in July 2035. The proceeds from the CLO Notes will be used to repay a portion of PSLF's \$325 million secured credit facility. In addition, PSLF acts as retention holder in the transaction to retain exposure to the performance of the securitized assets. BNP Paribas acted as lead placement agent in the CLO transaction.

The CLO Notes offered as part of the term debt securitization have not been and will not be registered under the Securities Act of 1933, as amended (the "Securities Act"), or any state "blue sky" laws, and may not be offered or sold in the United States absent registration under Section 5 of the Securities Act or an applicable exemption from applicable registration requirements. The CLO is a form of secured financing incurred and consolidated by PSLF.
