

## **PennantPark Investment Corporation Enters Into Additional \$250 Million Five Year Credit Facility**

February 26, 2019 at 4:06 PM EST

NEW YORK, Feb. 26, 2019 (GLOBE NEWSWIRE) -- PennantPark Investment Corporation (the "Company") (NASDAQ: PNNT) announced that it has established an additional \$250 million secured revolving credit facility (the "Credit Facility") through PennantPark Investment Funding I, LLC ("Funding I"), as borrower and a wholly owned subsidiary of the Company, with BNP Paribas, acting as administrative agent, and The Bank of New York Mellon Trust Company, National Association as collateral agent. This Credit Facility along with our other existing debt sources will enable us to use the flexibility and incremental leverage provided by the Small Business Credit Availability Act ("SBCAA") in the future.

The Credit Facility has a five year term with a three year reinvestment period during which pricing is at LIBOR plus 2.6%. The key terms are such that we will be able to operate within the asset coverage covenant that the SBCAA reduced from 200% to 150%.

"We are pleased to have expanded our borrowing relationships through closing on an additional credit facility that will enable us to have the flexibility to obtain the benefits provided by the SBCAA. We believe this will result in enhanced profitability while maintaining our conservative and prudent debt profile," said Art Penn, Chairman and Chief Executive Officer. He added: "This long-term Credit Facility along with our other sources of debt financing nicely complements our permanent equity capital base."

The Credit Facility is secured by all of the assets held by Funding I and includes customary covenants, including minimum asset coverage and minimum equity requirements.

The description above is only a summary of the material provisions of the Credit Facility and is qualified in its entirety by reference to the Credit Facility.
